Yash Anand

Amazon | Ex - Zupee | IIT Jodhpur.

Dhanbad, Jharkhand, India

Summary

I am a B.Tech student majoring in Computer Science at IIT Jodhpur, graduating in 2024. As a Teaching Assistant at Coding Ninjas, I resolved over 600 queries. My projects include VibePocket, an audiobook platform, and INSTIMATE, an AI chatbot. I am proficient in programming languages such as C, C++, Python, JavaScript, and SQL, and experience with tools like Git, Jupyter Notebook, and Linux.

Additionally, I have strong web development skills, including HTML/CSS/JS, Node.js, and MongoDB. I have achieved a 4-star rating on CodeChef, a specialist on Codeforces, and notable global ranks in coding competitions. I also solved more than 1500 questions on different platforms.

Experience

Amazon

Software Engineer

January 2025 - Present (2 months)

Bengaluru, Karnataka, India

Zupee

Software Development Engineer - Android

October 2024 - December 2024 (3 months)

Gurugram, Haryana, India

1. Building a cutting-edge GenAI application from scratch, focusing on innovative AI-driven functionality.
2. Designing both low-level and high-level architecture to ensure robust, scalable, and high-performance systems.
3. Optimizing pre-developed machine learning models to run directly on the client side, minimizing dependency on server processing.

4. Enhancing user experience by ensuring real-time processing, reduced latency, and efficient resource management.

DeHaat

Software Engineer Intern

September 2024 - October 2024 (2 months)

Gurugram, Haryana, India

1. Developed and implemented unit tests for vehicle and rider services in Go, utilizing mock interfaces to ensure the accuracy of service interactions and improve code reliability.

2. Developed and optimized OTP request data formatting logic, dynamically managing delivery partner details and mobile number inputs.

3. Developed and optimized search functionality in Go-based API by implementing efficient string matching logic for complex name queries

Kmitr

Android Developer

July 2024 - October 2024 (4 months)

India

Prometeo IIT Jodhpur

Head of Events

November 2022 - February 2023 (4 months)

Jodhpur, Rajasthan, India

Collaborated with executives from 10+ companies in the AR-VR, defense, and automobile industries to showcase their products at the Fest, leading to a 65% increase in booth traffic and 50% more leads generated

Aaftaab 2.0

Head Management

September 2022 - November 2022 (3 months)

Jodhpur, Rajasthan, India

Collaborated with 5+ departments to streamline resources for a successful fest, improving efficiency by 30% and reducing costs by 20%.

Coding Ninjas

Teaching Assistant

September 2021 - December 2021 (4 months)

Remote

- Debug the code
- Taught them to implement the algorithms

Education

Indian Institute of Technology Jodhpur

Bachleors technology, Engineering Science (major in Computer Science) · (December 2020 - May 2024)
